Key Indicator - 7.3 Institutional Distinctiveness (20)
7.3.1 Portray the performance of the Institution in one area distinctive to its priority.

Club Life @KNMIET

The club activities form an integral part of any student's college life! Not only active participation in a club helps a student grasp practical knowledge but also promotes extra-curricular activities for comprehensive development of the students.
The institute boasts of various Technical and Non-Technical clubs for the students where events and activities are organized throughout the year.

The technical clubs include –

1. **Tech Wizard** – The Computer Science Engineering club organizes various coding competitions, organizes guest lectures by the pioneers in the field, and provides updates about the latest technologies and other similar things.

2. **ECOCA** – The Electrical Engineering club periodically organizes events that focus on the practical applications of concepts and also encourages research and innovations in the same field.

3. **Exodia**– The society of Mechanical Engineering Department aims to enhance the technical skills of the students by organizing several workshops on design and simulation software like Autocad, Solidworks, CNC, etc. Seminars on topic of general interests and various competitions are also held.

4. **Nirmaan** – The Civil Engineering society plays a vital role in enhancing the skill set of civil engineers by providing them with out of curriculum experience by organizing industrial visits, technical competitions, seminars, etc.

5. **ChemiZone** – The Chemical Engineering club ensures that the students are not only well read academically but also have real world knowledge. Thus, frequent industrial visits, along with informational lectures, competitive quizzes and events are held regularly.

6. **Litronics** – To keep up with the latest technologies and industrial happenings the Electronics and Communications engineering club organizes various conferences, quizzes, debates, group discussions,

practical implementation events and other activities for comprehensive understanding of the field.

The various extra-curricular clubs in our institution are –

1. **Chandogya** – The cultural and literary society of the college plays a major role in the comprehensive development of the student. By organizing various cultural events throughout the year on several occasions and festivals, the students get a chance of showcasing their talent in fields of dance, music, drama, anchoring, etc.

2. **Sports Club** - Various sports like football, volleyball, cricket, and badminton are practiced and promoted under the sports club. Regular sports meet and competitions are held to make sure that students are at their optimal fitness and performance. The club promotes healthy competition and sportsman spirit among the students.
