NEWS LETTER UPSURGE

Vol. 2 - Issue 1 December, 2021 - March, 2022

79 Years

Dr. K. N. MODI INSTITUTE OF ENGINEERING & TECHNOLOGY

Modinagar, Distt Ghaziabad, (DELHI - NCR)

www.knmiet.edu

Mothers Lap to Ph.D

Value • Knowledge • Character

Prof. (Dr.) Devendra K. Modi
Chairman
B. Tech (Chem. Engg., IIT BHU, Varanasi)
M. A. (Eco), MBA, PhD, D. Litt.

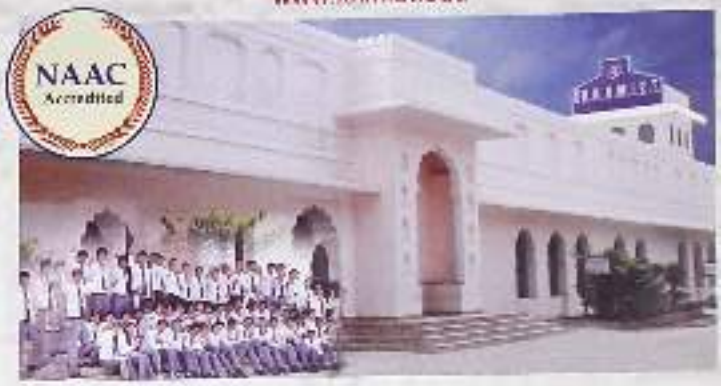
My parent's vision, beliefs, deeds and activities were all pervasive and wholesome. They not only confined to the growth of Modi Enterprises but operated in larger context of wholesome development of Industry Nationally and Internationally, besides being in the forefront in the promotion of social welfare, culture, sports, research, rural development, education and social development of people. As such it would be formidable to narrate their belief, visions, deeds, etc. in totality but as a mark of homage to both of them, emulating remembrance and above all to gain insight about great humanists.

I welcome you all to the family of Dr. K. N. Modi Foundation. We are very happy to have you on campus, marking a fresh start to your academic journey. You will be spending the most valuable years of your life on this campus, which will offer the best possible opportunities to enhance your intellect and pursue your dreams.

Dr. K. N. Modi Foundation is home to research oriented faculty and staff members who are committed to your success and will act as a catalyst for your learning experiences: both inside and outside the classroom. The knowledge quotient is alive and thriving at in all corners of Dr. K.N. Modi Foundation. Your stint at the campus shall provide you with new insights, experiences and friendships to last for a lifetime.

We extend our best wishes and look forward to your success. I look forward to welcoming you to our vibrant family.

Prof (Dr.) Devendra K Modi
Chairman



It's my immense pleasure to introduce Dr. K. N. Modi Institute of Engg & Tech., Modinagar. The institute is offering undergraduate & postgraduate AICTE approved programs, with more than 4000 students & over 200 well qualified faculty. Apart from curriculum based studies, emphasis is made on promotion of innovative driven projects, interaction with industries, soft skill & personality development, co-curricular and extra-curricular activities. Our core values of knowledge, character, excellence, integrity, transparency, quality, team work, execution with passion, trust, continuous and student centric learning are all closely integrated into our academic programs. We have over 5000+ alumni who occupy covered positions both in India and abroad and are a source of pride and inspiration to us.

We are committed to achieve excellence in Technical, Management education & Research and assess the success and leadership of its programs using the highest standards of quality, innovation and visibility. Our goal is to be the most preferred choice of students, faculty & industry and to be in the top 10 in every discipline of education, engineering and management. Our aim is to achieve global leadership in human development & excellence in education. Recently Dr. KNMIET is accredited by NAAC successfully.

I am confident that with the concerted efforts of team Dr.KNMIET, the institute will scale upto the greater heights of excellence in the years to come.

Further, It's my privilege to convey my best wishes for the News letter UPSURGE (Issue: December 2021 to March 2022) as it represents the efforts of our esteemed faculty members and students. I convey my thanks to editorial team for their efforts in presenting the things in such a nice manner. BEST WISHES

Dr. Deepankar Sharma
Prof. & Director (Officiating), Dr. KNMIET

ORIENTATION PROGRAM

In order to welcome the new students, an Orientation program was organized on 18th October 2021 at Dr. KNMIET. The event started by seeking the blessings of the Lord for a bright and successful journey of the young generation ahead. The Orientation program served as an ice breaker for the students to know each other and meet the faculty as well. Respected Director welcomed the students wholeheartedly with his inspirational speech. The event concluded with the handing over of the kits to the students by Director Sir.

TRADE FARE VISIT

Final year students of BBA were taken for a visit to Hunar Haat, Pragati Maidan, New Delhi on 25.11.2021. This year, the theme for the Hunar Haat event was 'Vocal for Local' where students witnessed the rich and cultural heritage of India, her heirlooms, and the arts of local crafts men. The day was fun-filled and a refreshing outing boosted them with energy.

GUEST LECTURE

A guest lecture on "Development of Attitude for Future Goal Achievement" was conducted on 02.12.2021 for all the 1st year students of Dr. KNMIET. The speaker invited was Dr. Sumit Kumar Verma from OXFORD Academy. Sir stressed the importance of a positive mindset and how it helps in one's career and life. The lecture was packed with interesting anecdotes which were thoroughly enjoyed by the students as well as the faculty members.

ACE ENGINEERING ACADEMY

Dr. KNMIET invited the team of Ace Engineering for a lecture on the Preparation of GATE and other Competitive Exams for pre-final year students on 03.12.2021. In order to have an edge in competitive exams, correct guidance and time management are essential key factors. Thus, experts of Ace Engineering Academy informed the students about strategies that must be followed by the students in order to crack their desired competitive exam.

INDUSTRIAL VISIT

An industrial visit of B Tech CSE students was conducted on 08.12.2021. Around 55 students visited Appwars Company, Noida. The main aim of industrial visits is to provide exposure to students about practical working environments. It also gives students an opportunity to gain full awareness of industrial practices and learn about emerging technological trends.

INVITED TALK

A talk on "Basics of Stock Market and importance of Investing" was delivered by Mr. Himanshu Sharma, CERT. Financial Technician for our students of BBA and BCA final year on 09.12.2021. Financial literacy for youth is really essential as it helps them achieve their financial goals and leads to effective savings for specific goals. It ullimately plays a key role in making them lead a happier and more financially stable lifestyle.

BLOOD DONATION MELA

The pandemic made us all realize the value of blood even more. In order to inspire the young generation, the 23rd Blood Donation Mela was held on 22nd December in Dr. KNMIET. The team of Doctors of MMH Government Hospital was invited for this special cause. were donated by The students and faculty members donated around 250 units of blood and made the event a huge success.

POSTER MAKING COMPETITION

The Poster Making Competition was conducted for the students of BBA on 28th December 2021. The purpose of such competitions is to boost creativity and give students the opportunity to express themselves. The theme of the competition revolved around social issues such as Save Earth, Article 35A among others. The posters made were really inspiring and can be seen in the corridor adding beauty to the walls.

INDUSTRIAL VISIT

An industrial visit was conducted for the students of B.Tech I Year and B.Tech II Year (Electrical) on 28th December 2021. The students were taken to visit UP Power Transmission Corporation Limited (765/400/220/KVA), Hapur. The purpose of the visit was to encourage hands-on experience. Mr. Sunil Aheja, the in charge, took great efforts to ensure practical learning for the students. The students also visited the sub-station. The visit was coordinated by Prof. Sanjeev Kumar Rajput and Mrs. Pratiksha Gupta.

ACHIEVEMENTS

Glimpse of NAAC Peer team visit held during 14-15 January 2022 at Dr. K.N. Modi Institute of Engg. & Tech, Modinagar. NAAC accreditation determines the quality of the institute, in terms of education, faculty, research, infrastructure, and other essential parameters. On the other hand, it gives confidence to students that the institute they are selecting is providing the best services. And thus, we feel proud in announcing that Dr. KNMIET is now a NAAC ACCREDITED institution where you can make your dreams come true.

SKILL AND PROFESSIONAL DEVELOPMENT

Workshop on the "Skill and Professional Development in the Present Times" was held on 02.03.2022. The students participated in groups and presented skits and acts, through which they expressed the essential skill set required in their fields for effective development. More than 200 students participated in the event.

WORKSHOP

A workshop on "Artificial Intelligence: A Demand of Present Time" was conducted on 04.03.22. As we all are witnessing, Artificial Intelligence(AI) is a key driver of growth and innovation across all industries. By participating in such workshops, students get hands-on experience that helps them understand the underlying concepts and keeps rote learning at bay. Around 350 students and faculty members participated in the workshop.

NAYA THEATRE

The play 'Jin Lahore Nahi Vekhya vo Janya hi Nahi' was presented by the artists of 'Naya Theatre' under the flagship of SPIC MACAY on 08.03.2022 at Dr. K N Modi Foundation, Modinagar. Around 350 students, faculty members, and staff enjoyed this wonderful play. At last, all the women faculty and staff members were honored on the occasion of International Women's Day.

CAMPUS-PRENEUR MASTER CLASS

Respected Business Coach, Dr. Vivek Bindra was invited to deliver a master class on CAMPUS-PRENUER for the students of Dr. KNMIET. In his lecture, Sir shared effective business tips and valuable insights from his experience as a Business Coach. His lecture ignited the flame of entrepreneurship in the students and filled them with productive energy. 3 lucky students who scored well in the Business Strategy Questionnaire, created by the team of Dr. Vivek Bindra, were also awarded a scholarship of Rs. 1 Lakh each.

SOFT SKILLS

Soft Skills are the need of the hour. Yet a lot of students struggle in communication due to a lack of exposure. Keeping this in mind special PDP classes are held for students which help them build their communication skills. Regular sessions of Group discussions, Mock interviews, and practice sessions develop their confidence and prepare them for their dream jobs.

EXTENSION ACTIVITY

Students of Dr. KNMIET distributed sweaters among the children of Pramila Modi Junior School and Gayatri Devi Kanya Junior high school, Modinagar. Participation in such activities teaches students the importance of sharing and caring for the entire community. Such activities not only help in raising responsible citizens but makes them humble humans as well. Around 400 sweaters were distributed by the students.

BUSINESS PLAN

Students of Management Studies performed an activity on "Business Plan: Think Different". They presented unique ideas which had the potential to serve the disabled, ideas that were Eco- friendly, and suggested solutions for effective waste management among others. The ideas represented the desire of the young Indians- which is to create a better world for all.

CULTURAL

"All work and no play makes Jack a dull boy." At Dr. KNMIET we believe in the importance of this quote and thus cultural activities lie at the heart of the college. These cultural activities serve in bringing out the creative output of our dear students and keep them close to the hobbies they admire. The events conducted here give students a platform to overcome their stage fright, showcase their talent, and make memories to cherish forever.

Benefits to the students in Dr KNMIET

The students admitted here in various courses may enjoy the following benefits:

1. Institute offers scholarships to meritorious students every year other than provided by the state Government.
2. Guaranteed Quality education.
3. Free book bank facility every year of their study in Dr KNMIET.
4. Personality development classes without any extra cost.
5. Assured industrial interaction, visit and internship to each student.
6. Best placement opportunities which started from the beginning of last year of their study.
7. Management provides financial help for good engineering projects.
8. The campus and hostels are fully Wi-Fi enabled.
9. Adequate number of computer labs and related facilities.
