NEWS LETTER UPSURGE

Vol. 5 - Issue 1 January, 2025 - March, 2025

Dr. Kedar Nath Modi
1922 - 2005

Mothers Lap to Ph.D

Value + Knowledge + Character

Chairman's Message

"We cannot always build the future for our youth, but we can build our youth for the future."
- Franklin D. Roosevelt

Dear Students, Faculty and Esteemed Readers,

It is with immense pride and joy that I extend my warmest greetings to all of you through this issue of Upsurge'. Dr. K. N. Modi Institute of Engineering and Technology has always been a beacon of excellence, fostering innovation, creativity and holistic development among our students.

This Newsletter is a testament to the talent, hard work and creativity of our students and faculty. It reflects the diverse achievements, innovative ideas and the spirit of collaboration that defines our institution. I encourage all of you to continue pushing boundaries, exploring new horizons and contributing to the betterment of society.

As we navigate through an ever-evolving world, the role of education becomes even more critical. At Dr. KNMIET, we are committed to equipping our students with not only technical expertise but also the values and skills needed to thrive in a dynamic global environment. Our dedicated faculty, state-of-the-art infrastructure and vibrant campus culture ensures that every student is empowered to achieve their fullest potential.

Let us work together to uphold the legacy of Dr. KNMIET and strive for greater heights in the years to come. My heartfelt congratulations to the editorial team for their efforts in bringing this Issue.

Wishing you all success, happiness and fulfilment in your endeavors.

Warm regards,

Prof (Dr.) Devendra Kr. Modi
Chairman, Dr. K.N. Modi Foundation, Modinagar

Dr. K. N. Modi Institute of Engineering & Technology

Prof. (Dr.) Devendra K. Modi

Message by Executive Director

Greetings and a very warm welcome to Dr.K.N.Modi Institute of Engineering and Technology!

It gives me immense pleasure to know that Dr. KNMIET is bringing the next issue of its new letter "Upsurge". Learning is a continuous process. It starts from our birth and continues until we die. Dr. KNMIET is an excellent institute which provides countless opportunities to its students to excel in various domains of life. I am glad that Dr. KNMIET is excelling in various academic endeavors. As you scan through the pages of 'Upsurge', it will give you a glimpse of milestones that the college has achieved in last three months.

I wish all my students and teachers a very big success in all their ventures. I also applaud the coordination and efforts behind the team to bring out this issue. I wish them all success.

I would like to conclude my message with the golden lines of Albert Einstein,

"Education is not the learning of Facts, but the training of minds to think," which is for me is the maxim of learning.

Prof. (Dr.) Deepankar Sharma
Executive Director, Dr. K.N. Modi Foundation, Modinagar.

Director's Message

Greetings to all!

It gives me an immense pleasure to announce the release of next issue of 'Upsurge'. It a great effort by editorial team to reflect our achievements, accomplishments in curricular and extracurricular domains. Dr. K.N. Modi Institute of Engineering and Technology, Modinagar provides a perfect atmosphere for nurturing talent, cultivating skills and maintaining values of life. Our institute is a prestigious institute in the field of education. Our mission is to make quality education accessible to the new generation, who are the future of our country.

Apart from curriculum based studies, emphasis is made on promotion of innovation-driven projects, interaction with industries, soft skills and personality development and other co-curricular activities.

We are committed to achieve excellence in technical, management education and research. Our goal is to be the most preferred choice of students, faculty and industry. Our aim is to achieve global leadership in human development and excellence in education.

To each one of you, I ask that you engage with the contents, offer comments, and get involved in each of the events so as to ensure that excellence is allowed to blossom and enthusiasm assists in paving our way toward the challenges that lie ahead.

I am confident that with the continued efforts of our team, will scale up to the greater heights of excellence in the years to come. Thank you for your devotion and inspiration. Continue to innovate, inspire, and to take us all far.

Prof. (Dr.) Shishir Rastogi
Director, Dr. K.N. Modi Institute of Engineering and Technology, Modinagar.

Campus Placement Drive on 3rd and 4th Jan by DB RRTS

A Pool Campus Drive was conducted successfully on 3rd and 4th of Jan. by DB RRTS at Dr. K.N. Modi Institute of Engineering and Technology, Modinagar. Around 850 students participated from 37 colleges.

Celebration of 76th Republic Day on 26th of Jan. at Dr. K.N. M. I. E. T.

On 26th of January, Dr. KN Modi Institute of Engineering and Technology (Dr. KNMIET), Modinagar, proudly celebrated the 76th Republic Day of India, marking a momentous occasion in the country's history. The event not only commemorated the adoption of the Indian Constitution but also reflected on the immense progress India has made over the years.

On this occasion institute also organized a Prabhat Pheri as a part of the Republic Day celebrations. The event was held to instill a sense of patriotism, unity and national pride among the students, faculty and staff of the institute. The Prabhat Pheri was a unique way to celebrate the day's significance while connecting the college community to the national spirit in a meaningful and impactful way. The Prabhat Pheri, meaning "morning procession," began at dawn, with participants gathering at the college grounds. The event was marked by the active participation of students from various departments, faculty members, and staff, all coming together to celebrate the 76th Republic Day with enthusiasm and reverence for the country.

The procession started with the singing of patriotic songs, including "Vande Mataram" and "Sare Jahan Se Achha," as students and faculty members walked together in unity, carrying the Indian flag with pride. The procession moved through the nearby areas around the campus, spreading the spirit of Republic Day throughout the local community. The faculty members actively participated in the procession, walking alongside the students and encouraging them to take pride in their country's rich history and heritage. The event was also an opportunity for faculty members to guide the students in understanding the importance of Republic Day and the role that each one of them plays in building a stronger and more inclusive India. 'Prabhat Pheri' was followed by ceremonial unfurling of the National Flag at 'Kanha Chauk'. As the Tricolor fluttered in the wind, students, faculty, and staff stood in silent respect, singing the national anthem with pride. Following the flag hoisting, Dr. Deepankar Sharma, Executive director and Dr.Shishir Rastogi, the

Scanned with OKEN Scanner

director of the institute addressed the gathering. The celebrations continued with a vibrant cultural program, organized by the students of Dr. KNMIET. The performances were a beautiful reflection of India's diverse culture and heritage.

The 76th Republic Day celebration at Dr. KNMIET, Modinagar, was an inspiring and vibrant occasion, filled with patriotism, pride, and unity. The entire event was a reminder of the enduring values of democracy, equality, and justice enshrined in the Indian Constitution. The students, faculty, and staff of Dr. KNMIET came together to celebrate the spirit of Republic Day and reflect on the progress India has made since becoming a republic.

Placement Drive of DB RRTS on 28th Jan.2025.

A placement drive was conducted successfully on 28th of Jan. by DB RRTS. Around 200 students participated for the profile of SCO and 25 students were selected.

Tablet Distribution Program on 30th of Jan

On 30th of Jan. tablet distribution program was organized at Dr. KNMIET.Under Swami Vivekananda Youth Empowerment Scheme Tablets were distributed to students of B.Tech second year. To technically empower the youths of Uttar Pradesh, the Government of Uttar Pradesh has launched DigiShakti Scheme under which Tablet PCs and Smartphones are distributed to the students studying in various Educational Institutions of UP. Mr. Meghraj Sharma, (administrator, Dr.KNMF), Dr. Deepankar Sharma, (Executive Director, Dr. KNMF), Dr. Shishir Rastogi (Director, Dr. KNMIET) graced the occasion with their presence.

Career Counselling and Orientation Program on 31st of Jan. and 1st of Feb at Dr. KNMIET.

A two days career counselling program was organized on 31st Jan and 1st of Feb. at Dr. KNMIET. Students from various schools and coaching institutes attended the sessions. This program was designed to guide students in making informed decisions about their higher education and future careers, this program also aimed to empower students with the knowledge, tools, and insights necessary to navigate the diverse opportunities available in the fields of engineering and beyond. The Career Counseling Program has already had a positive impact on several students, many of whom have found greater clarity in their career decisions. Through the counseling sessions, students not only gained a deeper understanding of their personal strengths and interests but also learned how to align their choices with the evolving demands of the job market.

An online training on POSH The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal), Act 2013

In today's academic environment, fostering a safe and respectful space for female students and staff is paramount. The Prevention of Sexual Harassment (POSH) Act, 2013, was enacted to protect women from sexual harassment in the workplace, including educational institutions. Implementing POSH training in colleges is not only a legal requirement but also a vital step toward ensuring a secure and inclusive campus atmosphere.

In its ongoing commitment to fostering a safe and respectful academic environment, Dr. K.N. Modi Institute of Engineering & Technology (KNMIET) organized an online training session on the Prevention of Sexual Harassment (POSH) Act, 2013 on 1st of Feb. The primary aim of the online POSH training was to educate participants about the provisions of the POSH Act, 2013, and to equip them with the knowledge and skills necessary to identify, prevent, and address incidents of sexual harassment within the campus. The session was conducted by Tech. Trainers and Testers Pune, Gov. of Maharashtra with extensive experience in workplace harassment prevention, providing participants with valuable insights and practical guidance. Attendees expressed appreciation for the training's relevance and the clarity with which complex legal provisions were explained. Many highlighted the importance of such initiatives in promoting a safe and inclusive campus environment.

Faculty Development Program from 10th of Feb. to 14th of Feb. by ICT Academy

A five days faculty development program was conducted from 10th of Feb. to 14th of Feb. on Microsoft Power BI Data Analyst Associate.

From February 10th to 14th, 2025, Dr. K.N. Modi Institute of Engineering & Technology (KNMIET) hosted a comprehensive Faculty Development Program (FDP) focused on the Microsoft Power BI Data Analyst Associate certification conducted by ICT academy. This initiative aimed to enhance faculty proficiency in data analytics, aligning with the institute's commitment to academic excellence and technological advancement. The program was conducted by certified trainer with extensive experience in data analytics and Microsoft Power BI. Their expertise ensured that participants received high-quality instruction and practical insights into real-world applications. Faculty members from various departments actively engaged in the program, participating in hands-on exercises, case studies, and collaborative discussions. This interactive approach facilitated a deeper understanding of data analytics concepts and their integration into academic curricula.

Session on Python on 12th of February

On 12th of Feb. a guest lecture was conducted on Python in CSE department. The lecture was delivered by Mr. Diwakar Sharma. The lecture began with an introduction to Python, highlighting its simplicity, versatility, and widespread use in various domains such as web development, data science, artificial intelligence, and automation. The speaker emphasized the importance of Python as a programming language that is not only beginner-friendly but also powerful enough for advanced applications.

Throughout the session, the students were engaged with practical examples and live coding demonstrations. The speaker covered essential Python concepts, including data types, control structures, functions, and modules.

Entrpreneurship Awareness Program on 22nd Feb.

TheMSME-Technology Development Centre organized an Entrepreneurship Awareness Program (EAP) on 22nd February 2025 at Dr. K.N. Modi Institute of Engineering and Technology (Dr. KNMIET). The event aimed to promote entrepreneurship and raise awareness about the opportunities available for aspiring entrepreneurs in India, especially in the context of the Micro, Small, and Medium Enterprises (MSME) sector. The program was designed to educate students, faculty, and aspiring entrepreneurs about the potential of MSMEs, the role of technology in business development, and the various government initiatives supporting entrepreneurs.

The Entrepreneurship Awareness Program conducted by the MSME-Technology Development Centre was an enriching and informative event. It successfully achieved its objective of creating awareness about the importance of entrepreneurship, especially in the MSME sector. Participants left with a deeper understanding of the various resources, schemes, and technological advancements available to foster their entrepreneurial ventures. The event was a step forward in empowering students with the knowledge required to take on the challenges of starting and running a successful business. It also encouraged them to explore the possibilities within MSMEs and motivated them to consider entrepreneurship as a viable career option.

Oath taking Ceremony for 'Dahej Mukt Bharat' and 'Nasha Mukt Bharat' on 7th of March

On 7th of March, a pledge-taking ceremony was organized to support the national campaigns of Nasha Mukt Bharat (Drug-Free India) and Dehaj Mukt Bharat (Dowry-Free India). The event aimed to raise awareness and promote social responsibility among students and staff by encouraging them to actively participate in the movement for a drug-free and dowry-free society.

Workshop on 'Financial Management Skills' by SEBI 21st and 22nd of March

The Securities and Exchange Board of India (SEBI) conducted an engaging workshop on 21st and 22nd of March at Dr.KNMIET. aiming to educate students about the intricacies of the securities market and the importance of financial literacy. The event was designed to bridge the gap between technical education and financial awareness, empowering future engineers with knowledge about investment opportunities, market regulations, and the role of SEBI in safeguarding investor interests. The workshop featured interactive sessions led by Mrs. Archana Sharma, who shared insights into topics such as stock market operations, investment strategies, and the prevention of fraudulent activities. Students were encouraged to ask questions and participate in discussions, making the event highly interactive and informative.

Felicitation Program on 27th of March

At Dr. KNMIET, we believe in nurturing talent and recognizing the relentless pursuit of excellence. This year, we had the privilege of organizing a Felicitation Program to honor the remarkable achievements of both our teachers and students, whose dedication and hard work have set new benchmarks in their respective fields. The event, held on 27th of March, was a grand celebration of excellence, innovation, and the spirit of continuous learning. The Felicitation Program commenced with an inspiring welcome address by Dr. Deepankar Sharama, the executive director, who emphasized the importance of acknowledging those who go beyond the ordinary. The event was graced by the presence of Dr. D. K. Modi, Chairman, Dr. KNMF., Mr. Meghraj Sharma, administrator, Dr. K.N.M.F., Prof. (Dr.) Shishir Rastogi, director, Dr.K.N.M.I.E.T. Students were felicitated with medals, certificates, and trophies, as they were called upon the stage one by one. Their stories of hard work and perseverance served as an inspiration to the entire college community.

Scanned with OKEN Scanner

In addition to the students, our teachers were also honored for their exceptional contributions to shaping the minds of future engineers. During the ceremony, a select group of teachers was recognized for their innovative teaching methodologies, research contributions, and mentorship. Dr. Pramod Garg (BBA), Mr. Sanjiv Kumar (ASH) and Prof. (Dr.) Nisha Vishnoi (ASH) were felicitated by the chairman for their exceptional contributions. The event showcased the success stories of those who have worked tirelessly to make a difference in their respective fields.

Visit to 'Amrit Udyan' on 27th of March

On the 27th of March, our enthusiastic students of B.Tech. first year embarked on an educational and delightful visit to Amrit Udyan, the magnificent gardens of Rashtrapati Bhavan. Spread across 15 acres, Amrit Udyan is a treasure trove of natural beauty and historical significance, offering a serene escape amidst the bustling city of Delhi. The students were greeted by the vibrant hues of seasonal flowers, including tulips, marigolds, and pansies, which adorned the various themed gardens. They explored the Circular Garden, Long Garden, and the Bonsai Garden, marvelling at the intricate landscaping and the diversity of flora. The Bal Vatika, a dedicated children's garden, was a particular highlight, featuring swings, slides, and a treehouse that sparked joy and curiosity among the young visitors. The visit also included a stop at the Nature's Classroom, where students learned about the importance of biodiversity and conservation under the shade of a majestic Pilkhan tree. The serene Babbling Brook and the vibrant Vertical Garden provided picturesque spots for reflection and photography.

The trip to Amrit Udyan was not only a visual treat but also an educational experience, leaving the students inspired and more connected to the beauty of nature and the richness of India's heritage. It was a day to remember, filled with learning, laughter, and the vibrant colors of spring.

EDITOR'S DESK

"Learning gives creativity, Creativity leads to thinking,
Thinking leads to knowledge, Knowledge makes you great."
— Dr. APJ Abdul Kalam

With a hope to touch the hearts of all our readers and with the feelings of pride and joy, we bring forth the next issue of our News Letter 'Upsurge'This publication serves as a platform to showcase the achievements, creativity, and vibrant spirit of our students, faculty, and staff.

In the fast-paced world of academia and innovation, staying connected and informed is paramount. This newsletter reflects the milestones we've achieved, the aspirations we hold, and the dynamic environment that drives us forward as a community. Through its pages, you will find highlights of our events, academic accomplishments, innovative projects, and glimpses of life on campus.

Our institution is a hub of talent, dedication, and ambition, and this newsletter is a testament to the collective efforts that make Dr. KNMIET a remarkable place to learn and grow. I extend my heartfelt thanks to everyone who contributed to this publication—your passion and commitment are evident in every word and image.

Let us continue to strive for excellence and inspire each other in this journey of discovery and progress. I hope you enjoy reading this newsletter and feel as connected to the pulse of our institute as we do while creating it.We hope going through this newsletter is as enjoyable for you as it is for us bringing it to you.

Happy Reading...!

Warm regards,

Dr. Nisha Vishnoi
